

2026 SUMMER TECHNOLOGY CAMP FOR CHILDREN WITH DISABILITIES

SIBLINGS & FRIENDS

JUNE 15- JUNE 18 | JUNE 22- JUNE 25

AGES 4 - 14

Lekotek

Lekotek provides a unique summer experience for children with disabilities, their siblings and/or friends. Campers will benefit from independent and group activities using “state of the art” technology. This technology includes a Computer Eye Gaze system, adapted computer input devices, iPads, Osmo apps, Smartboard and more.

Everyone experiences fun-filled, challenging activities that develop literacy, communication, fine motor, cognitive, and recreational abilities. Children with and without disabilities play and learn together in an environment that facilitates success.

Prior to registration, please discuss with your Lekotek leader if camp is appropriate for your child. Many children experience sensory overload when participating in large groups. Camp is most appropriate for a child who can attend to the computer for at least 15 to 20 minute periods.
